

Setting Arrangements 2019 - 2020

These are the setting arrangements for September. Year 7 - 10. We will continue to have 2 halves of the year.

Year 11 will roll through their current arrangements.

The view of the school is that we should be following the academic research and reducing setting whenever possible.
We accept there may be a need for different arrangements for Core and Non Core subjects due to tiers of entry at KS4.
